

## BCS-NJ1001

### Digital input module

High density, with 16 inputs in single width module  
Four independent input groups which can be used as sink or source  
Isolated inputs  
Display for module diagnostics and input state indication  
Removable terminal blocks with support for field wiring fixation

## Facts

### General description

Article number	66.014.326-6
Warranty	Up to 2 years

### Mechanical

Certificates	CE, ROHS, UL
Module dimensions (W x H x D)	17.90 x 113.00 x 117.46 mm
Net weight	200 g

### Power

Current consumption from backplane rack	160 mA
---	--------

### System

Hot Swap	No
One Touch Diag (OTD)	No
Status and diagnostics indication	Yes

## **People & Technology. Connected.**

We are a people company. Our experienced, skilled and passionate people empower you to meet your challenges through best-in-class, user-friendly solutions. We are a technology company. We help you optimize processes through our software, hardware and services, and through our support. Connecting people and technologies gives you the means to accomplish your goals and ambitions, and gain a competitive edge in today's digitalized world.
