

BCS-NX9003

Backplane rack 24-slots

Easy module insertion and removal
Ready for CPU, Profibus DP head and Redundancy
High-speed backplane bus
Automatic addressing
Same backplane used as main and extension

Facts

General description

Article number	66.014.722-9
Warranty	Up to 2 years

Mechanical

Certificates	CE, ROHS, UL, DNV
Module dimensions (W x H x D)	520.00 x 184.00 x 35.00 mm
Net weight	820 g

Power

Current consumption from backplane rack	170 mA
---	--------

People & Technology. Connected.

We are a people company. Our experienced, skilled and passionate people empower you to meet your challenges through best-in-class, user-friendly solutions. We are a technology company. We help you optimize processes through our software, hardware and services, and through our support. Connecting people and technologies gives you the means to accomplish your goals and ambitions, and gain a competitive edge in today's digitalized world.
